

Cla-Val Product Approvals & Certifications

Cla-Val products are designed and manufactured in accordance with applicable Waterworks, Fire Protection, Aviation Ground Fueling and Marine industry standards and governmental regulations.

Our manufacturing facilities, located in the US, Canada, Switzerland and New Zealand, place special focus on meeting and exceeding all of the regulatory requirements for the use and sale of our products. This compliance is backed up by a comprehensive Quality Assurance program that is strictly adhered to in all phases of the design and manufacturing processes. A representative sample of the industry approvals and listing to which Cla-Val products comply is show below.
