

Corporate Stewardship

Cla-Val's ownership, management, and employees believe very strongly in being responsible stewards of the company's resources. Whether these resources are financial, environmental, or the personnel that comprise the company, Cla-Val seeks to do the very best with what we have. It is a privilege of the entire organization to give back to the communities in which we serve. By participating in local, national, and international causes, Cla-Val is able to reinvest its profits into causes supported by the organization.

A sample of some the organizations that Cla-Val actively participates with are:

- Families Forward (<http://www.families-forward.org/>)
