

CLA-VAL Ground Fueling Mobile App

Download Instructions

To download the Cla-Val Ground Fueling Mobile App, please visit the following link.

Tailora - Cla-Val Apps (adp.tailora.fr/projects/clavalvalves)

See below for further instructions specific to iOS and Android devices.

iOS Devices

1. Find the "iPhone / iPad (iOS)" section and click the "INSTALL" button.

2. The App Store will launch to the app listing. Tap the "Get" button to install the app.

3. When launching the app, a notification may pop up saying that the developer of the app isn't trusted on your device. To fix this, open Settings -> General -> VPN & Device Management, then tap the name of the app developer, and then tap "Allow & Restart". For more information, please visit <u>this link to Apple Support</u>.

CLA-VAL Ground Fueling Mobile App

Android Devices

1. Find the "Smartphone / Tablette (Android)" section and click the "INSTALL" button.

2. If prompted, confirm the app download by clicking the "Download" button.
