## Military Fueling Systems and Equipment 3-Day Course

This 3-Day Course has been developed specifically for Military Style Fuel Systems and will focus on Cla-Val Automatic Control Valves & Military Ground Fueling Equipment, Liquid Controls Meters & Faudi Filtration. Attendees will receive classroom & hands-on instruction on control valves, ground fueling equipment & meters as well as live troubleshooting at Cla-Val's Fuel Test Facility.

**Dates:** Tuesday, June 2 - Thursday, June 4, 2026

**Time:** Classes run from Tuesday 7:30am to 2:30pm Thursday

**Location:** Cla-Val Factory • Costa Mesa, CA

**Cost:** \$500 per student

Shop/Fuel Test appropriate attire will be required on Day 2 & Day 3

**Meals:** Breakfast and lunch are included daily. A group dinner will be hosted on Wednesday, June 3.

**Hotel:** We have a small block of rooms available on a first come first serve basis. Hotel Cost is \$170/night (Students will be responsible for hotel and transportation costs)
